The Sonoma State University Police Department is seeking community assistance in determining the whereabouts of Nikolai Grayson, a 22-year-old student residing in Rohnert Park, CA. He is considered at-risk, as he is missing under unexplained circumstances/has gone missing without explanation.

Nikolai was reported missing last evening, November 21, 2024, at 6:15 p.m., after failing to show up for his ride home after classes at Sonoma State University. He was last seen near the main entrance flagpoles at 12:45 p.m., wearing a teal sweatshirt, black pants, black shoes and a Golden State Warriors baseball cap. He was carrying a black Trans by Jansport backpack, with stars covering the exterior. A subsequent search of the campus yielded negative results.
